

FA2SS - Flange Adaptor

Size Range: DN25 through DN300

Flange Pressure Rating: PN10/16, Class150, Class300, Table D/E

Material: Carbon steel, Stainless steel

Roll Groove Dimension According: ANSI/AWWA C606

Finish: Galvanized (Carbon steel)

Ordering: Specify Part Number

Part Number (According Material)		Nominal Pipe Size		L	D	WT.
